

Statewide Internet Portal Authority

Updated Schedule for the Request for Proposals (RFPs)

Integration Contractor To Design, Build, Operate, Support, and Maintain
A Statewide Internet Web Portal

Independent Verification and Validation And Project Management
Support For The Statewide Internet Portal

Thank you for your interest in the RFPs the Portal Authority has released.

The intent to award the Integration Contractor will be made by 2/11/2005.

The intent to award the IV &V Contractor will be made by 2/4/2005.

Final award will be made upon signed contracts between the selected vendor
and the Portal Authority.

If the Evaluation and Selection Committee needs further information the Portal
Authority or our designee will contact you.
